

Inbox 2.0 by M. Rahadyan & Stefanus A. - Video - DOWNLOAD

Inbox 2.0 is the great and visual effect...

From the mind of Muhammad Rahadyan and Presented by Stefanus Alexander...
you can do this trick on social media also live performance.

First, you show to the spectator if you hold the deck of cards, and with the magical move, a deck of cards change into a box of cards.

- Very visual
- Very easy to do
- Practicable
