

## The Vault - The Marsupial Vanish by Kyle Purnell - Video - DOWNLOAD

Get ready to fry your audiences with Kyle's absolutely devastating ring vanish!

Silicone Rings are more popular than ever before. CHEAP. TRENDY. SAFE.  
What more could you ask for?

With the **Marsupial Vanish**, Kyle has come up with a new way to utilize a property of this ring to achieve a CGI level vanish, but done for real people in the real world.

Check out the trailer. It looks THAT clean in person!

- Easy to learn
- No palming
- No clothing requirements
- Be comfortably set up all day
- Real world angles
- INSTANT RESET

\*One additional item is required for this vanish. This is a common magic prop, and most magicians most likely already own one.  
It can also be purchased quite inexpensive.
