**Intuition** is a modern method of mentalism. Imagine you can do some mentalism tricks only with this method, One of them is Russian roulette you can do it anywhere and anytime, even with a borrowed cup knife or nail.

There is no mark, no devices attached to cups or nails, no magnet, no thread etc.

Even everything can be checked from start to finish and you will make your spectators hysterical with this dangerous trick.

You can also play other tricks with ordinary objects you meet around you, with this method you can guess the object chosen by the audience or the body part of the audience that has been touched without looking at all.

No compromise

No collusion

No assistant

Because you really do this trick yourself. So what do you wait? Get to learn now!
