

Speaker In a Book by David J. Greene - eBook - DOWNLOAD

Are you great at telling stories and forming genuine connections with others? Do you have a message you wish to share with the world? Motivational speaking just might be the career for you!

It can't be as easy as speaking to an audience and telling a story... can it?

No, being a motivational speaker isn't just about having a story to tell, but this book can guide you through the knowledge that you need to begin your career. As a speaker, everything from your posture, to the words you say, to the emotions you show the audience have a direct effect on your communication and how the audience relates.

In **Speaker in a Book** you will learn:

How to motivate others

How to convey a refined message

The types of motivation

And much more!

Not only does this book cover how to become a motivational speaker, but **Speaker in a Book** also gives aspiring motivational speakers a plethora of examples of speeches and articles that will connect with an audience and motivate those listening.

Both instruction and practice are included within **Speaker in a Book**, providing a useful guide for anyone wishing to pursue a career in motivational speaking. This book will change your view of motivational speaking and have everyone congratulating YOU on a job well done!
