Valiant Peek by Shibin Sahadevan - Mixed Media - DOWNLOAD

Valiant Peek is a utility move devised from an old card sleight.

It is so devilish in nature that you peek the information directly in front of the spectator.

Easy handling Multiple peeks Adapt to any effect for peeking Adopted to any card pass methods

Note: Be natural in the move and focus on performance. There is no heat on the method. Build your own presentation for the revelation.

Enjoy performing!
