

Teleportation by Mario Tarasini - Video - DOWNLOAD

The spectator picks a card and signs it.

Magician splits deck in two piles, the spectator picks a card and signs it.

Magician splits the deck in two piles then he puts the card in one pile and it magically appears in the other.

This is called **Teleportation**...

- Completely impromptu
- Works with a borrowed deck
- No sticky stuff
- No magnets
- No threads

Works even with a card from a different deck.

Any deck, a sharpie and your hands.
