

RED - Reading Elements Deeply by Alfredo Gile - Video - DOWNLOAD

R. E. D is a beautiful impromptu trick for mentalists.

With this powerful tool you'll be able to guess names, words, letters or numbers!

Imagine this: a spectator writes secretly (totally random) a name on a piece of paper and the performer instantly will guess that name!

This trick works perfectly with your close up performance or your TV show or stage.

Amaze your friends with "**RED**", a new and powerful tool in your hands!
