

The Alchemist Dreams by Ferran Rizo - Video - DOWNLOAD

Effect

The silent vaudeville magician Ferran Rizo with his unique magic style has caused a stir on social networks with his original coin magic. Now it is time to learn his secrets clearly explained by himself

This is Ferran Rizo version of the classic plot where copper coins transform into silver one. But this is a very special version as you can change the coins and show clearly all the sides even your hands empty. You will be able also to table full of view the transformed coins all the time. Is not need to hide in a goblet. Then at the end all the coins will change back clearly into copper. A truly miracle done in a clear way. Your audience will love it. Very easy to perform
