

## Lie to the Dice by Alfredo Gile - Video - DOWNLOAD

Fool your spectators with "Lie to the dice"!

If you enjoy mentalism... this trick will be one of your favorite!

Imagine this: you ask to the spectator to roll a die while you're turned back.

Then the spectator see the number on its face, put it in the box, take the same number of cards and put these somewhere in the middle of the deck.

Now... you're ready to guess the number of the die with only your ESP power!  
Learn it now and grow up to your next level!
