

Boom by Fernando Mier - Video - DOWNLOAD

"Visual and flash that will bring life to your act"

- **Dani Daortiz**

"The most impressive card transformation I even seen..."

- **Ayala**

"In times where we have to reinvent and adapt to new ways of performing, Fernando Mier comes with a powerful, visual and brilliant effect that feels like true magic"

- **JC Rodarte**

"Perfect for social media, zoom shows or demo reels! BOOM"

- **The Half Beard Magician: Joaquin Kotkin**

"Magic for social media has always been thought. Requires precise moves and techniques, both specially designed to amaze an audience watching from the comfort of their screens. Fernando Mier has elevated his social media followers exponentially with magic that seems like camera trickery...when he's not using any! Fernando Mier is your best source!"

- **Victor Castañeda**

"A great magic effect, very effective for social media, also with excellent result in a theater show, highly recommended"

- **Armandú**

"3,2,BOOM! Visual magic for your act"

- **Javier Natera**

Boom it's an ultra visual trick that allows you to disappear in thin air a playing card or credit card, it's down to your imagination! You will learn the method first and then you can come up with your own concepts and ideas!
