

## Oil & Water by Mario Tarasini - Video - DOWNLOAD

Here is an astonishing ending to one of the classics of card magic - "**Oil & Water**". There are many ways to perform it, but Mario Tarasini has created an extremely visual final phase with face-up cards and just before the very eyes of the spectator.

After a couple of your favorite phases of Oil & Water, this is an amazing way to end the routine.

Just tell the spectator to do not blink and she/he will witness a miracle...
