

Blind 2.0 by Abdullah Mahmoud video download - DOWNLOAD

Wherever you are magician/mentalists or amateur/professional this method will help you in your routines!

In this download you'll learn more than just a control:

1. Top control
2. Bottom control
3. Multiple card control
4. Peek
5. Sandwich routine
6. Card to pocket
7. Invisible card routine

They saw **BLIND** and this is what they can say about it:

"Fooled me! Not only is BLIND a powerful effect, but the method will open up the door to many other powerful effects! Become better with BLIND!"

- **Robert Smith**

"You'll love the secret behind this! It has so much potential for so many effects. I started using it the moment I saw it."

- **Menny Lindenfeld**

"this is a very versatile idea with many possibilities and really great applications. I think it looks fantastic"

- **Spidey**

"Simple... effective... strong!"

- **Fraser Parker**

"That's cool ! if it's really a borrowed deck, without gimmick, I have no fuckin' idea how it works ! Congrats !"

- **Julien Losa**

"Abdullah has come up with a great utility move that is hard to believe that none else has come up with this before."

- **Titanas**

"I've just added Blind to my arsenal of techniques I use to devastate people with a borrowed deck. This is fresh!"

- **Ran Pink**

"Blind by Abdullah is brilliant and oh so sneaky. I love it!"

- **Matt Johnson**
