

Kit-Su by Alejandro Horcajo - Video - DOWNLOAD

A magic kit with sugus. Visual magic effects to perform on social media or in real life.

Sugus Change: the version of a silver and copper coin but with sugus. Visual, fast and instantaneous.

Tic Tac Su: the classic "Dice Boom" effect but with a Tic Tac box that holds a sugus, and by shaking the sugus it transforms into many tic tacs. It can also be used as the classic card in the box. But with sugus.

Sugus to bill: an effect where a paper of sugus is transformed into a bill. It can also be used by transforming a sugus paper into a mini letter.

Sugus Shell: a magnetized sugus shell. With which you can perform countless effects.
