

## **Wand Triple Color Change by Bachi Ortiz - Video - DOWNLOAD**

The magic wand is the element that identifies magicians. This time magic happens to her!

A super visual and magical effect! A wand will change color several times in your hands. You will be able to devise many routines in addition to the ones that I propose. A tool that will make your imagination fly!

Very easy to do without anything to put on or take off.

You will not be able to stop performing this colorful trick.

Download the video and learn now!
