

Movi E Moji by Attis Aimar Garcia - Mixed Media - DOWNLOAD

A prediction, coincidence, luck!

You play a game to guess what movie is with emoticons cards, you ask how many players join 4, 5 or 6, shuffle the cards and the spectator made all the decisions, if you change the cards or leave on the table, you give 2 cards for each player, all players win with match popular movie!

But.... you don't....

So you have another chance to win to match some popular movie and hopefully coincidence with two jumbo cards that displayed.

Take 2 cards at random as spectator wish and this 2 match with jumbo cards!!
