

Password Mystery by Dibya Guha - Video - DOWNLOAD

Effect:

A box is shown. The Mentalist states that it can only be opened with a particular 4 digit number which is its password. Several cards on which various 4 digit numbers are written are introduced & the spectator selects one of them. Amazingly, the number on it matches the password of the box. Then the card containing the password vanishes & lands up in the sealed battery compartment of the box.

A real miracle?
