What if burn your hand and your spectator is literally seeing your skin is peeling and reveal a chosen card, **METALSKIN** can do just like that!

Imagine this you ask your spectator to chose a card and lost in a pack, you then show a lighter and ask your spectator to lit the lighter, mysteriously you show your hand empty and clean, by waving your hand on the fire you cause your skin to peel and something is forming and it is their chosen card.

- Unique method
- Easy to do
