

The Comedy Cosmonaut by Graham Hey - eBook - DOWNLOAD

A big hit in 2020, this is a collection of original one-liners, visual gags and easy (but brilliant) tricks from Graham Hey, one of the UK's top comedy writers and cruise ship performers. The fabulous (self-working) 'Searching For Elvis' trick included was a sell-out at Blackpool 2019 is worth 25 dollars on its own - and has been a feature of Graham's cruise ship act for three years. But there's lots more included, from intro stuff to some classic visual gags anyone can do. Put some humour into your act with this great value 44 page eBook.

"There's so much great material in this ebook!!!"
