"The kind of routine that I'd have loved to create... brilliant! Well done!" - Jeremy Marouani, creator of Box Office

"Revelations does exactly what it says on the tin. It is a set of practical and innocent-looking tools that will fit perfectly in a mentalist's wallet. Loaded with powerful effects, the set is perfect for both casual and professional performers" - **Francis Girola**, creator of Ice Breaker

"I love star sign divination and I like simplicity (no question asked). Not only this effect is EASY to perform and doesn't require any memory work but it's also FUN!"

- Olivier Boes, creator of 10s star sign divination
