

## Blow The Bill Hole by Obie Magic - Video - DOWNLOAD

**Blow The Bill Hole** is a very visual magic for close up. imagine the magician taking a bill from a wallet. The bills were signed by the audience. The magician folds the money and then use a marker to stab thru the bill to produce two holes. Just by blowing it the magician restored the bill and the audience can check that the money is authentic, there is an audience signature and without holes.
