

Sacred by Esya G - Video - DOWNLOAD

No magnets. No electronics. No threads.

Sacred by Esya G is a completely impromptu miracle that is as visual as it is spooky.

Here's what happens:

Your audience member is then given a Sharpie marker to examine and that they "charge" with their energy before giving it back to the performer and asked to shout "move!". When the performer holds the sharpie without touching the sharpie cap, the sharpie lid moves by itself! It is very visual and very creepy.

Can be surrounded by spectators. **SACRED** is not only easy to perform but versatile enough to add any magician or close-up mentalist to their repertoire. Best of all, no gimmicks. Sharpie can be borrowed.
