

Folding Prediction by Gustav - Mixed Media - DOWNLOAD

EFFECT 1: CARDS

A sheet with colors and letters is shown.

The deck of cards is taken and a card is chosen.

The spectator remembers the card.

Now the magician folds the sheet... and the prediction is formed with the chosen card.

EFFECT 2: ESP

4 cards with ESP symbols are shown.

The viewer freely chooses one ... the sheet is folded and ... the chosen symbol appears formed!!

EFFECT 3: MENU

4 cards are displayed with various menus to choose from.

The viewer freely chooses one ... the sheet is folded and the selected menu appears formed !!

EFFECT 4: ANIMALS

There are 4 cards with different animals to choose from.

The viewer freely chooses one ... the sheet is folded and the drawing of the selected animal appears formed!!

4 effects with 4 different possibilities to choose from!

Easy to present and various presentations!
