

## Bertini on The Classic Palm - Video - DOWNLOAD

*"Giacomo Bertini is a true original in the field of coin magic . Within the inner circle of coin magic, the work of Giacomo Bertini has been known and respected for years. The depth and breadth of his work, though, has not been recognized for what it is: a radical new system and theory of coin methodology, one that leads to a fresh paradigm in the art of magic with coins."*

**- from the fantastic book by Stephen Minch, "Giacomo Bertini's System for Amazement".**

From these pages, this is the first, of a series of new video tutorials. So forget what you think you know about the Classic-Palm, and discover a brand new way to approach the most important coin sleight!
