"This is a great and visual rubberband version of a classic of magic"

- **Dr.Cyril Thomas**

Introducing, a very visual and beautiful change of rubber band!

You show 2 rubber bands (green and yellow) to the spectator. Ask the spectator to choose one of the rubber band (for example Yellow) and hold by spectator's...

Fully examinable and super practical without having to carry a lot of rubber band your wrist!

- EASY TO DO
- VERY CLEAN
- Anytime and anywhere
- With detailed instruction

The Transpo Plot may be a classic of magic, but Esya G just brought it into the 21st century with rubber band!
