

## THE C N SHEET by AK Dutt - Mixed Media - DOWNLOAD

This is a sort of **PACK SMALL PERFORM BIG** type of **MENTALISM EFFECT/S**.

Yes, you can perform two different effects at the cost of one.

This is a wonderful substitute for Book Test.

No need to carry any book, just a sheet of paper will do.

It is one 100 % self-working.

No need to put any effort to know the word or drawing.

By default you get the information.

No sleight of hand

1. **WORD TEST** - A sheet of paper (A 4 size) has 24 grids (6 x 4) and each grid has a word printed in it. It is torn into 24 individual pieces - each has a word printed on it.

One of the face down pieces is selected by the volunteer.

After a little bit of play, the Mentalist reveals the word printed on that piece of paper.

2. **DRAWING DUPLICATION** - Everything is same as explained in # 1 above except that, instead of words, drawings/sketches are printed in each grid.

Mentalist draws the sketch selected by the Volunteer.

You can perform in **CLOSE-UP**

You can perform on **STAGE**

You can perform during **WALK AROUND**.

You can carry this in your Wallet and perform **IMPROMPTU** as well

Apart from performance & teach-in, we also supply templates of all the essential (4) sheets in PDF.
