

SBAM by Zazza The Magician - Video - DOWNLOAD

Sbam is not a simple magical resolution of the Rubik's Cube, it is the careful study to arrive at an easy, magical and above all executable 360 ° resolution.

From the creator of routines like "The Number of God" & "The Black Cube".

You will not have to learn any complex algorithm, you will learn the moves in 10 minutes, really easy to do, in the video you will find detailed explanations from various angles.

What are you waiting for??
