

Nightcrawler by Mario Tarasini - Video - DOWNLOAD

Mario Tarasini did it again. A new Flap system has been developed.

This is not a single trick.

It's a whole system with unlimited possibilities.

You will be able to change the color of the cards, make a sticker or a drawing jump from one card to another...

Limited only by your imagination.

BONUS

At the end of the video tutorial you will get information on where to learn free original tricks created by Mario Tarasini.

There is no reason to wait any longer.
