

Mon-Tea by Jxtrada - Video - DOWNLOAD

Mon-Tea is a visual magic suitable for live close-up or ANY social platforms (Zoom, Skype ,you name it).

Imagine having the ability to transform regular objects, objects that everyone knows.

The magician is holding a bill, showing it front and back, then while talking to the audience, the bill VISIBLY transform into a tea bag right in front of their eyes. Guaranteed to get an amazing reaction from the audience.

- Instant Reset
- Easy to Perform
- Customize to Any Bill from Any Denomination
