

## **Social Networks Project Vol.1 - Video by Bachi Ortiz - DOWNLOAD**

A new magical proposal! Three powerful, easy and highly visual tricks with dice. The dice change shapes, sizes and colors!!

This is groundbreaking magic. You will learn three original effects from my repertoire on social networks. You can also present them in close-up magic. Your audience will think it is true magic! You can't believe everything that happens to dice.

- Super proven magic.
- Effects never seen before.
- Easy handling.
- At a gift price!

If you want to present something original, this material is what you are looking for!
