

The Loopack 2 by Doan - Video - DOWNLOAD

Doan is back with **The Loopack 2!**

You'll learn 3 visual impromptu effects with a rubber band that you can perform everywhere. Good for both live performance or video.

SLOOP - Wrap a band around your hand, make it vanish and then reappear in the wrist of your other hand.

JT5 - Make a band jump 5 times in your fingers.

ZELT - Interlace a band across your three fingers and make it go through the middle finger.

Take some bands, download the video and start learning today !
