

Cardtrait by Guillermo Dech - Video - DOWNLOAD

Going back to the classics of magic, Cardtrait is a new version of the card through the window. A card is signed and in the blink of an eye it will be trapped in the portrait! And also: it can not only be done with cards, but with many more objects! Are you ready to take the next level and leave everyone with their mouths open?

The download includes:

- Handkerchief version
- Spring/dribble version
- No hands version
- Alternative ideas and much more!

It doesn't matter if you are a professional or an amateur in the world of magic; I assure you that there will be something here that will serve you for the rest of your career.

"What a cool idea! And the method is very simple! I love it!"

-Julio Montoro

"If you are looking for a version of "Signed card into the...." this is the best I saw in a very long time. Deceptive method, easy to do, terrific trick! "

- Marcelo Insúa - Tango
