

Card Finesse II by Jon Racherbaumer - eBook - DOWNLOAD

If you're an eager beginner, curious student, earnest collector, or seasoned veteran, accomplished expert Jon Racherbaumer offers a satisfying book revealing why card conjuring has advanced farther and faster than any other category of magic. It exposes the playful side of the "Real Work" and shows why it's worth studying.

Card Finesse II is an inspiring guide, teaching refined techniques and contemporary handlings. Sixty items you can sink your teeth into. Straightforward exposition, easy-to-read type, and over 250 large-sized photographs. Practical inside information, even if you're not a card man or finger-flinger.

280 pages, photo-illustrated.
