

The Charlatan's Handbook by Sid Fleischman - eBook - DOWNLOAD

Long out of print and sought after by collectors and aficionados of quality magic alike, Sid Fleischman's *The Charlatan's Handbook* is a treasure-trove of close-up and platform magic that is guaranteed to delight.

Containing more than 65 extraordinary tricks and artful dodges, *The Charlatan's Handbook* is profusely illustrated by Tom Jorgenson with more than 170 drawings and Fleischman's wonderfully entertaining prose.

Here's what others have said about *The Charlatan's Handbook*:

"A great book. The No-Switch Needle Swallowing Trick is a work of genius." - Daryl

"Crowd pleasing effects with clever methods and new presentations that will be embraced by beginners and experts alike." - Bruce Cervon

"If you need your whimsy-battery recharged, read Sid's book." - Max Maven

230 pages, illustrated.
