

C.R.A.P by Alessio Maraucci - Video - DOWNLOAD

Don't think it's "yet another trick with sponge balls?"!

C.R.A.P is a revolutionary method by Alessio Maraucci that distorts the foundations of sponge balls magic.

It's not just a technique, or a gimmick, **C.R.A.P.** is a concept that will change the way you see magic in its entirety.

The ball appears, disappears or changes hands. And in the end, you can give everything to control! But that's not all! The only limit is your imagination!

Only this should be enough to make you understand the potential of this system. From the incomprehensible mind of Alessio Maraucci comes a method that will make you say "this is my favorite effect" to always carry with you!

- Easy to do
- Functional
- For stage, close-up or video
- Super visual
