

## Magic of Michael Ammar - eBook - DOWNLOAD

This large 328-page book has become a classic of magic literature. Contemporary entertainers will find concise explanations of prized secrets from multi-award winning magician and lecturer, Michael Ammar. This book is the absolute best of Michael Ammar all in one volume. You'll learn:

- 6 commercial stand-up routines
- 12 powerful utility sleights and devices
- 4 reputation making routines
- 8 thought provoking philosophical essays
- 6 practical effects for casual situations
- Michael's Stand Up Cups and Balls routine
- 13 entertaining routines for restaurant performances
- 12 additional bonus items
- plus "Making Your Magic Memorable" and "How You Can Negotiate Higher Performance Fees" and much much more!

*"Michael has studied human experiences, in the same way a scientist tries to unlock the secrets of nature. Ethereal topics such as impact, wonder and amazement have been dissected, crystallized and articulated. You'll find these performance instights sprinkled through the technical explanations in this book. The end result is a book that doesn't just teach, but also inspires. In the magic industry, Michael is truly the magician's magician. Fortunately, he is also one of magic's best teachers."*
