

Isabella's Mystery by Alfredo Gile - Video - DOWNLOAD

Can you really read the spectator's mind?

Yes... with **Isabella's Mystery** you will amaze your friends!

You show a deck of cards with different images and then the spectator starts to shuffle. At the end of this action he deals five piles of cards and he memorizes only one cards.

Yes... a totally free choice but the magician will predict that card! The prediction will always be correct!
