

## Clean My Ring by Luis Magic - Video - DOWNLOAD

An intriguing "IMPOSSIBLE LOCATION" routine involving a lady's ring and a lighter.

### EFFECT:

You try to clean a lady ring ... using the flame from a clear plastic lighter!

After some attempts her RING disappears from Your fingers and now is... IN THE LIGHTER!

### HIGHLIGHTS:

- It'll take you about 5 minutes work, and a quick visit to a stationery shop, to build the necessary gimmick
- A great impact routine on your audience because of the objects involved and what "happens" to them
  - You can easily present this effect in many different ways
- In the download You'll learn in details how to introduce a "RING in a LIGHTER"!
