

# The Vault - CyberGone by Magic's Express - Video - DOWNLOAD

**Vanish, switch and transform objects like never before!**

Cybergone is an easy to build, easy to use, utility gimmick that you can make at home.

You receive 5 simple mind-bending effects to start off with but will be creating your own original effects in no time.

1. Buttery smooth complete vanishes.
2. An indifferent card changes into the signed card.
3. Coins vanish without a trace.
4. A coin changes into a card.
5. A coin changes into a bill.

## **BENEFITS:**

- **Sleeves are optional and not required for more flexibility.**
- **Great angles, you can do it anywhere, even with someone over your shoulder.**
- **The secret makes your routine fully examinable after your presentation.**
- **Includes expert instruction on gimmick build, setup, and routines.**
