

15 Magic Video Logos for Magicians by Wolfgang Riebe - Mixed Media - DOWNLOAD

With social media, YouTube and mobile magic videos becoming increasingly popular, opening animated video logos for magicians are a great way to add that 'professional' touch.

Here are 15 different video logos supplied in both MP4 and MOV formats complete with a 'User Licence' to include these videos in any, and all of your video productions and use on all social media platforms.

As these are high quality custom made logos, they would easily sell for over \$20 each cost in the region of \$300 and more, especially with an end user licence included! This is a limited special offer on only \$75 for all 15 logos.

What are you waiting for? Add that 'special' magic touch to all your magic videos now!
