

Nihilistic System by Guillermo Dech - Video - DOWNLOAD

For centuries gaff cards have opened infinite doors in the world of magic, allowing real miracles to be performed. Color changes, torn and restored effects, card extensions and decreases, vanish signatures but imagine a single method that allows you to achieve it all.

Introducing Nihilistic System!

A tool inspired by the principles of Ton Onosaka that will help you to get amazing reactions from your public and the best is: in some effects the card can be signed. What are you waiting for, check it out!

Created by Guillermo Dech
