

## **Tricks With Cards & The Secrets Of Swindlers By Matt Pilcher - Ebook - DOWNLOAD**

Magic creator and multiple time top-ten bestseller Matt Pilcher brings you "Tricks With Cards And The Secrets Of Swindlers". An Ebook for every card magician, regardless of skill level, there is something here for everyone.

In the first part of the eBook, you will learn about the history of playing cards, which cards are best for your act, detailed instructions on how to perform both genuine and false shuffles accompanied with step by step photographs, numerous card tricks, card stacks, multiple ways to force a card and more.

In the second section, you will learn the secrets of how swindlers mark cards, how they scam people through games like 'Three Card Monte' and 'Game Of 31', you'll also learn about an amazing Poker scam and all of its inner workings. Furthermore, you'll learn how to become an advantage player at Blackjack as Matt teaches Blackjack basic strategy and card counting.

ALL this and MORE!

Format: eBook (PDF) 40 pages.
