

The Vault - The Ultimate Virtual Opener by Ryan Joyce - DOWNLOAD

Connect Instantly with Your Virtual Audience!

One of the keys to a successful virtual performance is to let your audience know exactly how to interact with you. This is the perfect magical way to do just that!

EFFECT: The audience watches as one card changes unexpectedly to an Ace, immediately followed by the others!

This is UNLIKE ANYTHING YOU ARE CURRENTLY PERFORMING!

This is a routine that grabs attention, tells the audience how to interact, and connects instantly in the world of virtual clutter. Everyone can now relate to ZOOM and ZOOM fatigue.

It's a great surprise to start your virtual events, that gets everyone chatting and fools every time!

This is a very fast, uncomplicated routine that you'll keep close to the computer at all times!

This is the **Ultimate Virtual Opener!**

If you're looking for a piece of magic that's totally unique for the world of virtual meetings, shows and audiences, this effect is for you.
