Here's an amazing effect that YOU CAN DO!

Have your spectator choose a card. The magician puts the deck in the box and leaves the selected card slightly sticking out.

With the wave of the hand the card visually moves to the bottom of the deck!

The best part is that the trick doesn't need any gimmicks.

The trick is easily applied to any ambitious card routine.

- Super visual.
- Reversible ambitious.
- Easy to do.
- Instant reset.
- No magnet. No elastic.
- No DIY.
