

## **Genuine by Albert Tok & RN magic- Video - DOWNLOAD**

Through RN magic workshop.

A new young talented magician Albert Tok created a small illusion called **GENUINE**.

Imagine you can do multiple kind of effects like:

### **Note to Bill**

You take a piece of sticky note then visually change into Real Money Bill !!! (The bill can be hand out for examination)

### **Matrix Note**

You take a piece of sticky note then draw four X marks on each corner, in split second visually those marks jump into one corner!!! (The sticky note can be handout for examination)

### **Coloring Note**

You take a piece of sticky note and change the color visually in split second!

You can manipulate every draw on a piece of sticky note ( the sky is your limit)

- No flaps
- No elastic
- No magnet
- No thread
- Perform naked!
