

COMBINED by Asmadi - Video - DOWNLOAD

The spectator is free to choose any card. The card is torn into two pieces so that each one resembles a frame. The torn card pieces are put into the box with the pins.

Within seconds the two card pieces are attached to the pin. The spectator can examine everything.

NOTE:

- Using regular boxes, cards and pins
- The box can be opened by the spectator
- Everything is examinable
- Easy to do
- Easy to make
- No magnets
- No gaps
- No forcing
- Explained for 6 minutes
