

## Gotta Catch 'em All by Viper Magic - Video - DOWNLOAD

"I wanna be the very best  
Like no one ever was.  
To catch them is my real test  
To trick you is my cause"

**Gotta catch 'em all.** In this trick, the spectator selects a card and you use the 4 Queens(any four of a kind actually), to find their card.

The 2 Queens are kept to one side, and with 2 Queens you very visually find the spectator's card.

Now well, what we're the other Queens for.

You spread the other Queens , and they somehow have 3 cards in between them, that is a part of 4 of a kind, of spectator's chosen card.

The 4 Queens sandwich the 3 cards between them.
