

Jail Break by Viper Magic - Video - DOWNLOAD

In this trick the magician is going to show how the two Jokers always break free from jail & run towards the treasure.

The treasure in this case is the spectator's card. The spectator gets to choose a card, free choice(can be signed). The card is then very fairly placed back in the center of the deck. Now the Jokers are placed at the top and bottom of the deck. Now with our special CCTV Camera eyes , we watch the Joker slowly move towards treasure in the center of the deck. We see that the Jokers have started moving... The Jokers slowly, come closer to the treasure.. and finally, they sandwich, only one card ..It is none other than the spectator's chosen card.
