

## The Invisible Coin by Keith Damien Fisher - Video - DOWNLOAD

As quick as money comes in, it disappears even quicker!

That's the effect of **The Invisible Coin** illusion. The sleights are so fast and smooth your audience won't have time to think about what just happened.. it just happens! With a little practice you will create a seamless and clever piece of coin magic that can be performed in front of any audience. As magicians we can make all things visible and invisible!
