

Bullet by Mario Tarasini - Video - DOWNLOAD

The magician shows two cards and tells the spectator that he will use them later.

The spectator chooses a card and puts it back into the deck.

The magician takes a deck and dribbles it on the table. While doing so, he catches the chosen card in between other two cards.

So you guessed it, this is a visual variation of the legendary sandwich effect.

A trick for true art of craft lovers. Gimmick is very easy to use.
