

## MY SNACKS by Esya G - Video - DOWNLOAD

Feeling like a snack? Just take it from the picture on your smartphone!

Effect:

You show your smartphone with a picture of a Doritos chip, then magically you turn the virtual chip into reality and can eat it right away!

The perfect social media trick, simple and easy

- No videos
- No black art
- No special application
- Any brand smartphone
- It works on iPhone and iPad
